

Hola  
mi nombre es  
Microrombo

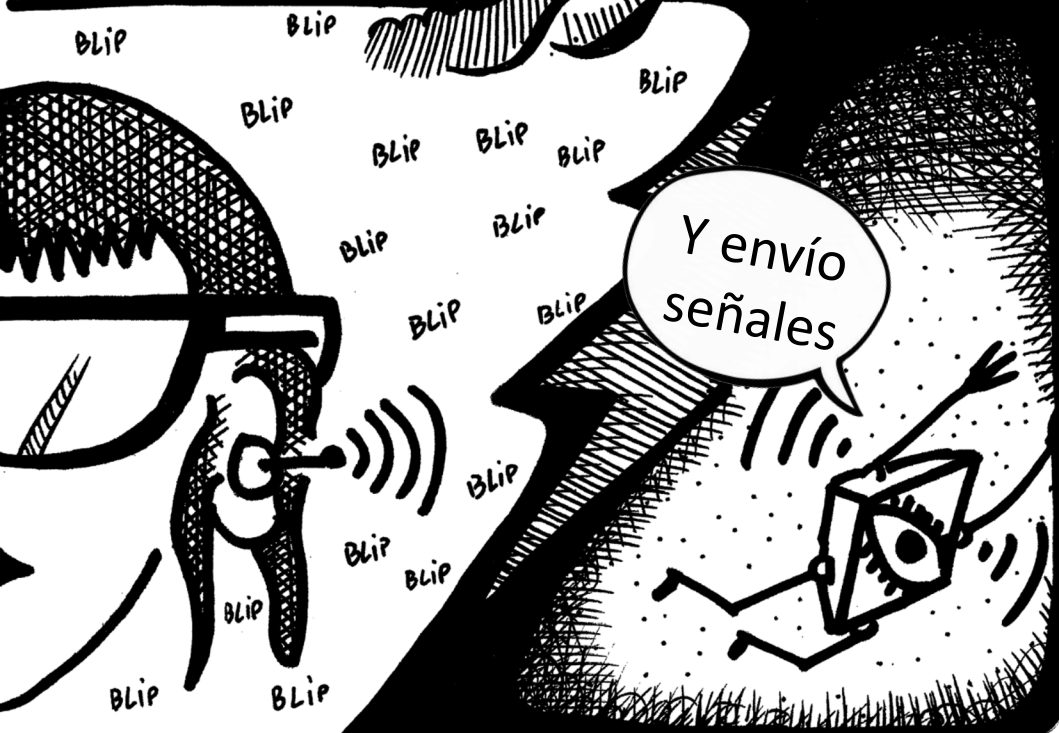

Observo  
todo

vuelo

rápido  
entre los  
gigantes

Y envió  
señales

BLIP

BLIP

BLIP

Flexiono las articulaciones

Salto  
Bailo y  
elongo

Con rotulas  
y engranajes  
aceitados

Pero...

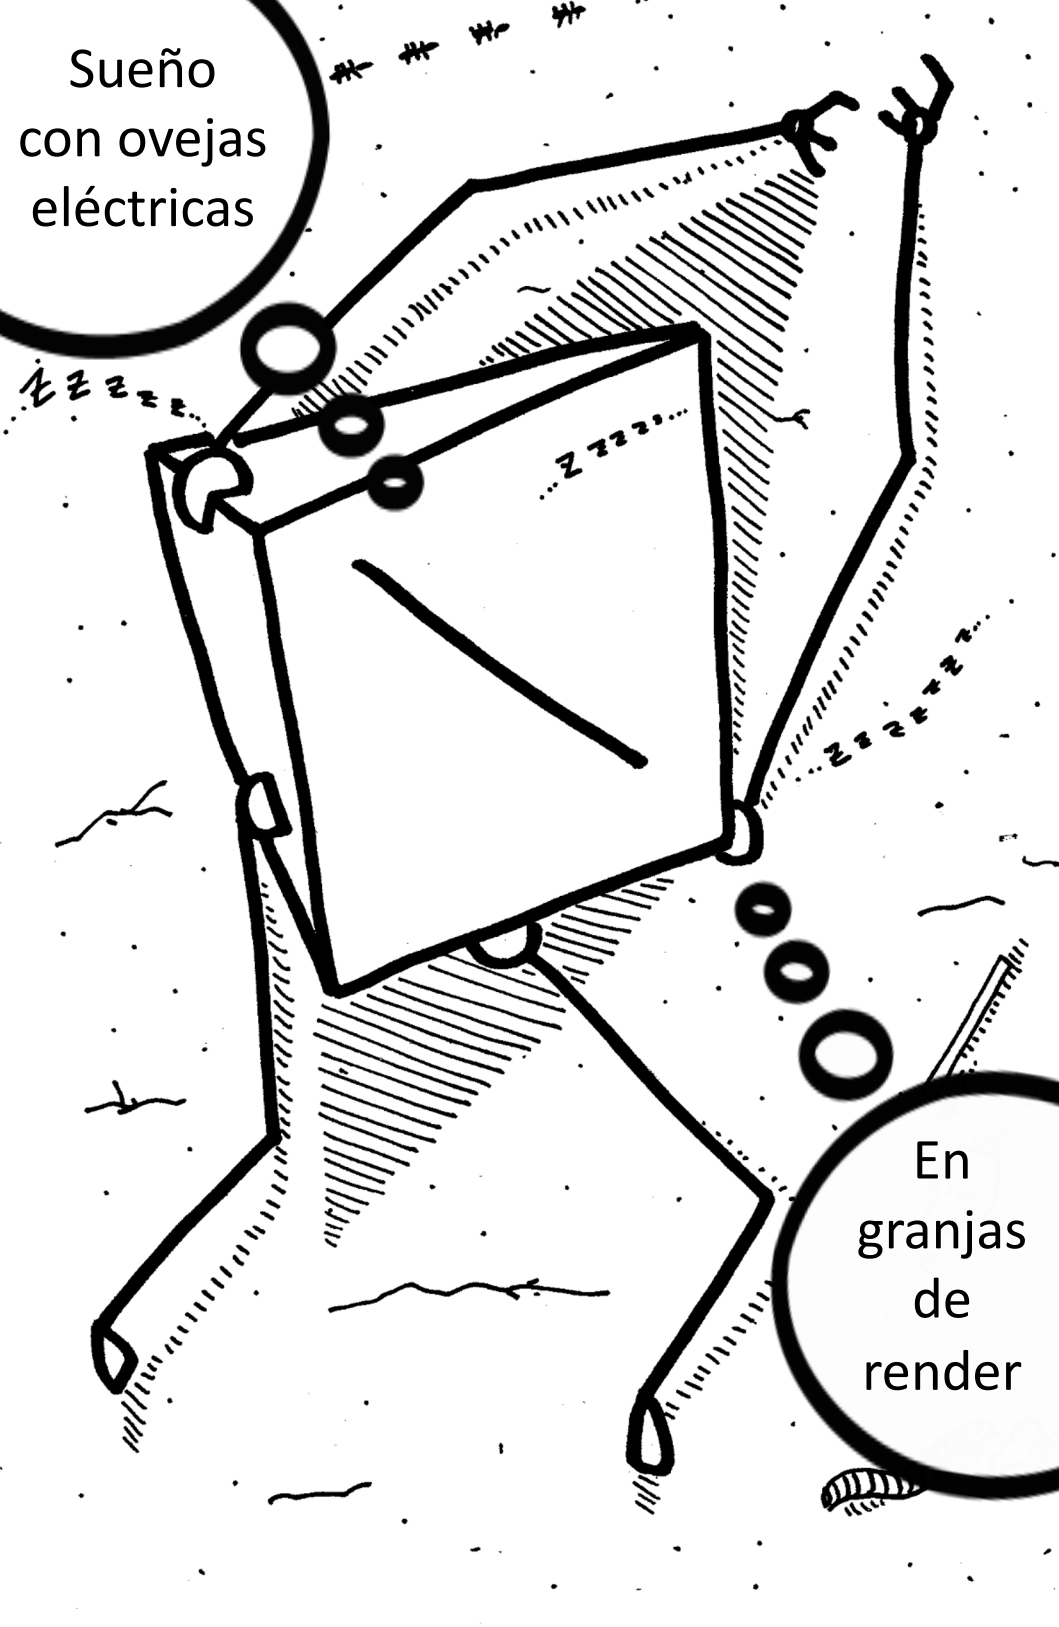

...a veces  
se me acaba  
la batería

Y me  
caigo

En  
cualquier  
lugar

Sueño  
con ovejas  
eléctricas

En  
granjas  
de  
render

Imagino la  
existencia  
de robots

Duermo  
Descanso  
Y recargó  
las baterías

Despues  
salgo otra vez  
a mirarlo  
todo

Me  
siento  
como un  
super  
héroe

A vibrant watercolor illustration of a triangular alien character. The alien has a large, multi-colored eye (purple, blue, yellow, and pink) with long, dark eyelashes. Its body is primarily blue and green, with a triangular shape. It has thin, stick-like arms and legs, ending in small, dark feet. The background is a mix of yellow, pink, and green watercolor washes, with some black scribbles. A speech bubble is positioned to the right of the alien's head.
